**Re: In the Matter of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Promoting competition, innovation and investment in broadband services and facilities

That is what you say the FCC does or should do. Accepting secret bribes from lobbyists to reduce completion for the big telcos is not in the publics best interest.

Please regulate on behalf of citizens of the United States not At&T and Comcast.
